Upcoming Events

- ◆ P. E. will be on Monday and Thursday

Week of August 31st

In social studies, we are in the process of making an All About Me book. We have started handwriting instruction and have started working in our math books. All our assessments are almost completed. Next week we will start small reading groups.

Cereal Boxes

Empty cereal boxes are due September 1st. We will be using these to put books on your child's reading level in them. Please see the parent pack handed out at the beginning of the year for more information.

Website and Email

There is a slight change on how to access my wiki page until the school's website is totally up and running. Go to www.usd385.org and click on Prairie Creek. On the left hand side you will see staff. Click on staff then on my name. My wiki page will have this newsletter, the schedule, lunch menus, and spelling words when we start spelling.* It is not updated as of yet, but should be by Friday afternoon.

My email address is granzowj@usd385.org

Snack Calendar

Due to the number of notices going home today, I will send the snack calendar for September home on Monday. I don't want it to get lost in the shuffle. The first week is as follows:

Sept.1 Farner
2 Groen
3 Holmstrom
4 Knudston
